Message is for: Your Representative House Leadership Committee Members
Message: OPPOSE HCR 13, while well intended an Article V Convention is a slippery slope that could lead to the actual demise of our US Constitution as we know it.
Optional: Email, visit, or write Your Legislators, Committee Members, Sponsors, Leadership, or the Governor
Bill Info: Type of Issue: Constitutional Concern
Brief Bill Explanation: This is a Resolution calling for an Article V Constitutional Convention to amend the Constitution to include a Balanced Budget Amendment. While this is well intended, the creation of our own Constitution was born out of a Constitutional Convention to only amend the Articles of Confederation, it became a runaway convention. Fortunately, we had smart principled men like our Founders and they crafted the US Constitution we enjoy today, but today there are no such men.
