**Bill Info:** **Type of Issue:** Liberty Issue: 2nd Amendment Rights

**Brief Bill Explanation:** This legislation allows for firearms, ammunition, and accessories that are manufactured and sold in Kentucky to be exempt from federal gun laws. A positive side-effect of this legislation will also help in creating jobs and improving Kentucky's economy as it may entice firearms manufactures to relocate to Kentucky not having to deal with as many regulations to operate their business. This legislation is a tangible example of how Kentucky can exercise its 10th Amendment Rights, nullifying the application of Federal involvement in our state to a degree
