Brief Bill Explanation: This is an improvement from last year's HB 40 that became law. HB 40 had a lot of exceptions in the Class D Felonies it allowed to be expunged. Class D Felonies in a lot of cases used to be misdemeanors, and still are in some states. So, these are low level crimes we are dealing with. What SB 16 does is carve out those exceptions to be evaluated on a case by case basis. However, sexual crimes, violent crimes, and crimes involving minors are not included in this, even though most of those types of crimes are of a higher level than Class D anyway.
